

Audio Visual Guide

Standard A/V Package

Classroom Packages (201, 203, 219, 221, 212/214*, 216/218*, Skyview, Howard Auditorium, Mendota) include the equipment listed below. For customers not purchasing a Classroom Package the standard Audio Visual package can be added (\$275 for all classrooms. \$150 for a half day excluding the Auditorium).

- Multimedia podium**
- Touch panel controller to change video source, volume, room controls
- 100+ channels of cable TV
- DVD player
- VGA, HDMI, and component inputs for laptops, iPods, and other media devices**
- Podium microphone
- Audio from any connected source integrates with classroom speakers
- Windows PC featuring:
 - DVD/CD reader/writer
 - Wireless remote presenter with built-in laser pointer
 - Internet access
 - Microsoft Office 2010
 - Wireless mouse and keyboard
- Ceiling-mount video projector**
- In-room audio via overhead classroom speakers
- Two large whiteboards with removable flipchart paper pads—includes paper and markers (standard flipcharts in 212/214, 216/218, Mendota, and Skyview; whiteboards by request at no extra charge)
- 250 sq. ft. 3-panel dry erase whiteboard/projection surface (201, 203, 219, and 221 only)
- Black-and-white wireless printer (201, 203, 219, and 221 only)

*212/214 and 216/218 do not include AV equipment if they are split into breakout rooms.

**Mendota equipment varies from standard classrooms, contact conference planning for details
